FROM FARM TO FORK

Why search far and wide when the finest ingredients thrive right on our doorstep? Our gourmet team prioritizes locally sourced products, shaping our daily menu to reflect the abundance of the region. We view local producers not just as suppliers, but as partners in crafting our dishes.

AKI FULL BOARD: A GOURMET CONCEPT FOR EVERYONE

During your vacation, we want you to feel completely at home while also being completely free from obligations. That's why all meals are included in your stay.

Breakfast

Every day, we offer a delightful family buffet sourced from local farms, showcasing an array of fresh produce. Our dedicated children's zones offer independent access, while our premium baby food, crafted from natural and organic ingredients, ensures little ones are well-nourished.

Lunch

Everyone is sure to find what they love here: large selection of antipasti, life-cooking station, children's buffet with highlights and pizza and large dessert buffet with ice cream.

Dinner

Indulge in a delightful culinary experience at our restaurant, where you can explore an array of appetizers, a salad buffet, and specially prepared salads for children. Each day brings a unique 5-course menu of your choice and additionally a warm starter and a main course from the buffet. Our children's menu offers highlights tailored for kids, along with freshly baked pizza from our show pizza oven. Conclude your meal with a visit to our cheese and dessert buffet, featuring homemade ice cream and other treats.

Feeling hungry in between?

Our Bar serves snacks and warm dishes from 11:00–23:00.

At the parent-baby station, fresh fruit, baby food, porridges and milk powder as well as the necessary utensils, from glasses to microwaves, are available around the clock. Baby porridge and meals are also prepared in the restaurant at any time upon request.

EXPERIENCE

Winter

Winter on the Plose is enchanting. With the Dolomites adorned in white, the winter hiking trails and ski slopes beckon you to explore and enjoy the outdoors. Whether you're a novice skier or a seasoned pro in the Plose ski area, there's something for everyone.

Summer

Whether by foot or on wheels, you'll explore lush forests, discover thrilling play areas, and marvel at the majestic Dolomite peaks up close. With nothing but nature surrounding you, enjoy the serene beauty of being elevated above the city, creating your own enchanting summer story amidst the treetops and mountain summits.

Farms

Ever wondered how cows are milked, where chickens nest for their eggs, or what crops thrive in our fields? Dive deep into the agricultural world with visits to local farms and producers on the Plose, an essential part of the AKI family program. Your vacation isn't just about the scenery; it's about fully immersing yourself in it with all your senses. During these farm visits, you won't just watch from the sidelines – you'll roll up your sleeves, engage actively, and feel right at home for a few unforgettable hours.

Culture

Discover the convenience of our family hotel situated just above Bressanone. Its proximity ensures quick access to the episcopal city, enhancing your stay at AKI. While there's a plethora of experiences awaiting you at our resort, exploring the city is an absolute must. Bressanone and its surroundings offer a wealth of attractions suitable for visitors of all ages, promising unforgettable memories for families and individuals alike.
